Subject: Recommended Candidate for Hire

Dear Hiring Manager,

I recommend hiring Rose Massin. As a former HBM branch manager, she grew business, managed staff successfully, and built a strong clientele along with strong community ties. &

Carlos shows great ~~prof~~ promise but needs training. Cheryl has extensive industry background but her demanding style raises concern about people skills with the lawsuits going on. Rose, though out of the workforce for a period, has proven skills which make her the best fit.

Regards,
Muneeb Lone
